

Invitation

# Dinesen x Mattiazzi

## Curiosity About wood

We invite you to a joint event hosted by Dinesen and Mattiazzi during this year's Designers' Saturday.

You will experience Dinesen's revamped showroom in Oslo, displaying curated furniture by Italian design brand Mattiazzi, accompanying the Weight of Wood exhibition by design duo Christian+Jade in collaboration with Dinesen. In playful, explorative ways, the exhibition changes your perspective on wood. We hope you will join us for snacks and mingling with design professionals.

See you on the date that suits you best.
